The Future Through the Northern Michigan Catholic Foundation

Through the creation of endowments for individual parishes, schools and other Catholic agencies, such as Catholic Human Services, the Northern Michigan Catholic Foundation (NMCF) provides a means to generate income to help sustain the long-term strength and viability of these Catholic institutions.

Each endowment is recorded separately and serves only its specific designated purpose. Income from these accounts is distributed semi-annually to the beneficiaries named when the fund is established. Once a fund is established, many donors may contribute to build the fund, or donors may choose to establish separate funds to memorialize or celebrate an event, person or ministry.

The NMCF can be named in wills and a variety of trust arrangements. Donations can be made for the benefit of any Catholic parish, school, program, ministry, agency, organization within the Diocese of Gaylord, or the Diocese itself.
